Strategy and structure

In addition to the existing functionality, the solution has been changed/added with following:

- Flight information
- Alcon / Novartis may contact synergy via email with information relevant to the vitreomacular interface disease"
- Possibility to get a list of participant information
- Land-selection changed to drop down list
 - When selected country is Norway, additional information about payment method required
- Added cost-coverage information
- The ability to upload documents have been deleted

All signups will be stored in a database, and Alcon / Novartis will be able to get a list of all the participating information.

Layout and design has been retained from the previous version, but with appropriate text and images replaced.
