

VIGTIG VIGTIG VIGTIG – opdatering

Log-in siden bliver opdateret til nyt design den **7. december 2016**.

Det er ikke nogen stor ændring, men den første side man ser, når man logger ind i TimeOut – og derfor vigtig at kommunikere den vil blive opdateret.

Den kommer til at således ud:

The screenshot shows a clean, modern login interface. At the top, the word "Timeout" is centered in a large, bold, black font. Below it are two input fields: "Username:" and "Password". Under the password field is a checkbox labeled "Remember me" and a link "Forgot password". Below these are three radio buttons labeled "Normal", "Rejse", and "Tilsyn", with "Normal" selected. At the bottom, there is a blue "Sign in" button with a right-pointing arrow. Below the button, the text "[intranet - local]" is displayed. The entire form is enclosed in a light gray border. At the bottom of the form, it says "Powered By" followed by the Outsource Timeout logo.

Læg mærke til navnet på din version af TimeOut står i [] – firkantede parenteser.

Vi håber den nye log in side bliver godt modtaget.

Venlig hilsen

Outsource Development Team
