2. Search: customer / project no. / project name

3. Choose Activity

4. Write a comment

5. Enter Hours

6. Press [Gem reg.... >>](#)

The screenshot shows the TimeOut Mobile app interface. At the top, the status bar displays icons for social media, signal, and battery (40%), along with the time 11:30. Below this is a browser-like address bar showing 'timeout.cloud' with a refresh icon and a 'MORE' link. The app's header is dark blue with the text 'Timeout Mobile' and a hamburger menu icon. The main form consists of several input fields: a date field showing '09-02-2017', a search field with 'Kunde/job', an activity field with 'Aktivitet', a comment field with 'Kommentar', and a timer field with 'Timer'. Below these fields is a green button labeled 'Gem registrering >>'. At the bottom right, the text 'TimeOut - Support d. 09-02-2017' is displayed above a large blue number '0,00'. Blue arrows from the numbered instructions point to the date field (1), search field (2), activity field (3), comment field (4), and the green button (6).

TimeOut Mobile

1. Overview of registrations
2. Click the “total no.”
3. This Opens the Weekly Note
4. Return to the Registrations page either by pressing the button:

<< Tidsregistrering

or choose from the Menu
